Dear Mr Matalia

The County Council disclosed the Durham contracts as you had specifically requested them. The County Council does not consider these to be particularly relevant to the proceedings. Any relevance they do have is limited to the terms contained within them. Therefore the questions you ask in relation to the signing of the documents are not relevant.

The County Council did not consider that the contracts with the grammar schools were disclosable, however, as you have specifically requested them, I attach a copy of the terms and specification for these services that form the basis of the contracts.

Subject: WCC -v- A Matalia Disclosure

Dear Miss Hiller

Can you explain why unsigned documents 58 (contract with Durham) and 59 (assignment with Durham) were disclosed? Surely signed documents should have been disclosed. Please clarify whether signed documents exist and if so when they were signed and why they have not been disclosed.

Can you explain why the contract between WCC and the grammar schools has not been disclosed? Surely, this is a disclosable document.

Regards

A Matalia
